(406) 656-1910 [www.yellowstonevalleyvet.com](http://www.yellowstonevalleyvet.com)

Dell Kay Bertino, DVM    Marci Cook, DVM

July 19<sup>th</sup>, 2010

## PRESCRIPTION PICK-UP TIMES

For all controlled drug prescriptions we must be given one full business day PRIOR to being available for pickup. These drugs include:

1. Tramadol.
2. Alprazolam.
3. Phenobarbital.
4. Certain pain medications.

We appreciate a call ahead of time for all prescription refills, but must require it for these prescriptions as they take extra time to fill and only certain staff members are authorized to handle and fill these types of drugs.

No controlled substances will be available for pick-up on Saturdays.

We appreciate your understanding. Thank you.
